LISA BAYLEY
MN House of Representatives

Invest in Education — Our students shouldn't be held back by excessive debt or denied access to opportunity because of high college tuition costs. As a mother of two, Lisa knows we need to freeze tuition at our public colleges and universities and give graduates the opportunity to refinance student loans.

Grow and Create Jobs — Bayley understands we need to build a world class infrastructure to attract 21st century businesses and make the economy work for Minnesota families. She'll work across the aisle to pass a comprehensive transportation plan that fixes our broken roads and bridges.

Support Our Seniors — In St. Paul, Lisa will protect and work for our seniors to ensure they can retire with grace and dignity close to home. She'll fight for quality, affordable living options for retirees and to reduce prescription drug costs.
