ADVANCED HEARING AID TECHNOLOGY
For Less Than $200
"I was amazed! Sounds I hadn't heard in years came back to me!"
— Don W., Sherman, TX
How can a hearing aid that costs less than $200 be every bit as good as one that sells for $2,250 or more?
The answer: Although tremendous strides have been made in Advanced Hearing Aid Technology, those cost reductions have not been passed on to you. Until now...
MDHearingAid® uses the same kind of Advanced Hearing Aid Technology incorporated into hearing aids that cost thousands more at a small fraction of the price.
Over 300,000 satisfied MDHearingAid customers agree: High-quality, FDA-registered hearing aids don't have to cost a fortune. The fact is, you don't need to spend thousands for a hearing aid. MDHearingAid is a medical-grade hearing aid offering sophistication and high performance, and works right out of the box with no time-consuming "adjustment" appointments. You can contact a licensed hearing specialist conveniently online or by phone — even after your purchase at no cost. No other company provides such extensive support. Now that you know... why pay more?
MDHearingAid®
DOCTOR DESIGNED | AUDIOLOGIST TESTED | FDA REGISTERED
Can a Hearing Aid Delay or Prevent Alzheimer's and Dementia?
A study by the National Institute on Aging suggests older individuals with hearing loss are significantly more likely to develop Alzheimer's and dementia over time than those who retain their hearing. They suggest that an intervention — such as a hearing aid — could delay or prevent this by improving hearing!
TAKE ADVANTAGE OF OUR 45-DAY RISK-FREE TRIAL!
Hearing is believing and we invite you to try this nearly invisible hearing aid with no annoying whistling or background noise for yourself. If you are not completely satisfied with your MDHearingAid, return it within 45 days for a FULL REFUND.

SleeperTrends — Reclining Power Lift Chair Designed for Great Sleeping
All Day Comfort...Sleep Soundly All Night
We challenged our power-lift chair designers: design every aspect of the new WiseLift Chair to be the most comfortable chair our customers can sit in all day, and sleep in relaxed comfort every night.
We were pretty demanding because a lot of our customers are elderly, some are disabled, and many senior citizens suffer from back injuries and muscle aches.
Then we told our designers it has to be a recliner as well… for reading or watching TV; then open all the way to be the world's most comfortable sleeper chair. EVER. OK, here's how they did it.
Twin silent motors adjust the backrest and the footrest independently to adjust to an infinite number of comfortable positions.
Over 1,000 positions possible for your perfect comfort!
Perfect for Watching TV, Reclining, Sleeping.
To alleviate pressure on your back and spine and relieve back aches the WiseLift Chair reclines to the perfect Zero-Gravity position. Provides quick relief to back pain, eases tension and muscle spasms fast with fully adjustable heat and massage.If you suffer from constant back aches and pains the Zero Gravity position immediately eliminates all pressure points on your neck, back and spine. Raising the legs soothes and reduces aching swollen legs and helps relieve chronic leg and back discomfort. The chair's Trendelenburg heart-healthy position raises your legs higher than your heart to promote increased blood circulation with less strain on your heart. Reduces swollen legs and feet. Recommended by doctors for low blood pressure patients.
Award Winning Sleeper Lift Chair
LIFETIME WARRANTY
The New Power Lift Chair Reclines Fully for Sleeping.
More comfortable than your own bed.
Fall Asleep in Total Comfort. Every Night! Fully recline to the lay-flat position to experience the most comfortable sleep chair ever. The soft, supportive independently adjustable backrest and leg rest cradle you in perfect comfort. Made of multiple layers of the highest grade memory foam, plus additional layers of resiliency foam — so every time you sit in this chair it feels new! We've added 90 individually wrapped support coils to ensure our chair offers perfect support where you need it, and more comfort than your own mattress! You will never again have to face your bed with fear and anxiety - afraid you won't be able to fall asleep. Relax and drift off in the most restful sleep ever. Tight muscles fade away with warming heat and massage. Auto-timer safely turns these off after you fall asleep. Sleep all night in floating-like comfort.
Built for Years of Everyday Comfort. Over 1,000 Positions.
True comfort for long term all-day sitting, reading, watching TV and reclining; sleeping all night. Independent adjustment of backrest and footrest allow infinite positions to perfectly control your comfort - exactly the way you like it. The Lighted Remote Control has a speaker for optional audio confirmation of your commands. Five one-touch presets for sitting, sleeping, watching TV, zero gravity reclining, and the heart healthy Trendelenburg position (legs higher than heart.) Re-program any of the preset positions to your own favorite position. One Remote controls lift-assist, heat and massage. Please take advantage of our best factory-direct pricing! When you call today, ask about our Instant $500 Discount for Medicare card holders, Seniors, Disabled and Handicapped Persons, and Veterans.
