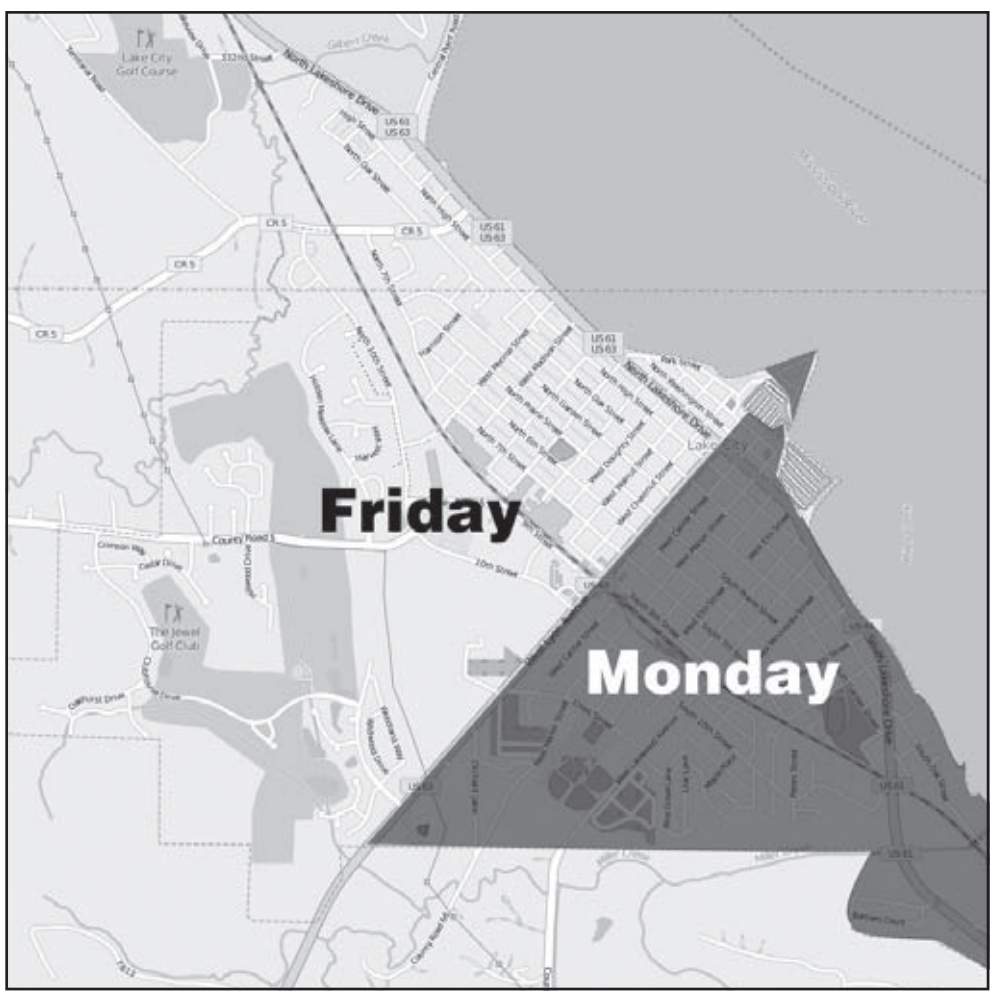
LAKE CITY RESIDENTS
Please note that we are making changes to our current garbage collection routes.
If you are currently a Wednesday pickup, please be aware that your scheduled garbage and recycling pickup day will be changed as of April 1, 2016.
The new collection routes are as follows:
• South of Highway 63 (Lyon Avenue) - pickup will be Monday
• North of Highway 63 (Lyon Avenue) - pickup will be Friday



If you have any questions or concerns, feel free to give us a call at 651-345-4224.
Thank you – Lake City Recycling and Disposal

Public Notice

LAKE CITY UTILITY CUSTOMERS

Recently you may have received information from a company offering water service line coverage (insurance).

Please be aware that this is not affiliated with the City of Lake City. The City has implemented a service line protection program that started January 1, 2016.

All eligible utility customers should have received a flyer explaining the program and a $2/month charge on their utility bill. The city's coverage is for water and underground electric service repair.

People can contact the city at 651-448-8145 or 651-345-6850 if they have any questions or concerns.

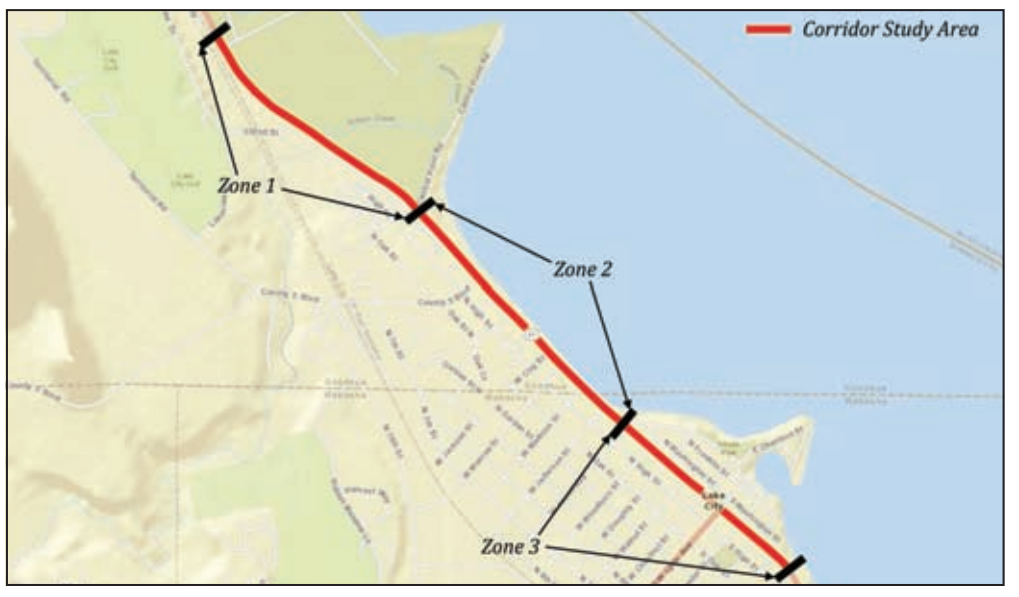
Highway 61 Lane Reduction Open House

We want your input!

Where: Lake City Council Chambers, Second Floor of City Hall
When: March 28, 29 and 30 from 4:30 p.m. to 6:30 p.m.



The City of Lake City is exploring the possibility of reducing the number of driving lanes on Highway 61 from four lanes to two lanes with a center turn lane. The extent of the project would be from the north end of the City to Elm Street. The City has conducted a preliminary scoping study, which is available at City Hall or online at the City's website. We are now looking for public input before moving forward on a project.

For additional information, contact Scott Jensen at 651-345-6850 or Rob Keehn at 651-345-6806.

THANK YOU NOTES

GERKEN

Thanks to the Red Wing Hospital, Lake City Hospital, Lake City Ambulance Service, the nurses, staff, physical therapy, Pastor Reich and friends and other people that kept me in their prayers and visited while I was a patient at the Lake City Care Center.

May God bless you all and thanks a lot!

SCHAFER

The family of Amelia Schafer would like to express their appreciation for all the sympathy cards, memorials, flowers, food and phone calls received at the time of her passing.

Thank you to Pastor Schmidt for the beautiful service, to the Methodist ladies for the luncheon, to the organist for the music, to the staff at Schleicher Funeral Home for handling the arrangements, the staff at Mayo in Rochester for the their fine care, and to the Ray Sands Trio for the special music at the service.

Thank you to everyone who came to Amelia's visitation and funeral and to anyone we may have forgotten to mention. It was all greatly appreciated.

The family of Amelia Schafer

PUBLIC NOTICE

Residents of Wabasha County are invited to a public meeting on Thursday, March 31, 5;30 p.m. to 7:30 p.m. regarding the discovery of emerald ash borer (EAB) in the county.

On Feb. 29, Minnesota Department of Agriculture (MDA) staff identified EAB larvae in an ash tree in the southeastern corner of the county after being alerted to some suspicious trees by Minnesota Department of Natural Resources staff. The trees displayed symptoms of EAB infestation, including bark splits and insect tunneling under the bark.

Those attending the upcoming meeting will have an opportunity to listen to presentations on EAB, hear about local options to deal with the insect, and learn how residents can limit the spread of the bug. Experts from the MDA, University of Minnesota, and other state and federal partner agencies will be available to answer questions.

Held at Wabasha County Courthouse, 625 Jefferson Avenue, Wabasha.

The public will also have an opportunity to provide input on the adoption of a formal EAB quarantine of Wabasha County. An emergency quarantine was placed on the area when EAB was discovered. The MDA will take comments on the formal quarantine from March 15 through May 1 and proposes to adopt the quarantine on May 15. The quarantine limits the movement of ash trees and limbs, and hardwood firewood out of the county. The proposed quarantine language can be found at *www.mda.state.mn.us/eab*. Comments can be made at the public meetings or by contacting: Kimberly Thielen Cremers, Minnesota Department of Agriculture, 625 Robert Street North, St. Paul, MN 55155; email to *kimberly.tcremers@state.mn.us*; 651-201-6108

Emerald ash borer larvae kill ash trees by tunneling under the bark and feeding on the part of the tree that moves nutrients up and down the trunk. Minnesota is highly susceptible to the destruction caused by invasive insect. The state has approximately one billion ash trees, the most of any state in the nation. For more information on emerald ash borer, go to *www.mda.state.mn.us/eab*.

Volunteer Opportunities

Book Buddies:

The Common Good Retired and Senior Volunteer Program of Catholic Charities is seeking volunteers to read to first grade students Bluff View Elementary School. The program conducts six one-hour sessions each fall and spring. For information contact Guthrie Capossela at 507-287-2047 ext. 34 or *gcapossela@ccwinona.org*.

Youth Link Mentor:

The Wabasha County Youth Link Mentorship Program is looking for responsible adults to help mentor youth. Men and women are matched with a youth between the ages of eight and 18 in their own community. Volunteers are asked to spend an hour or two each week for one year, away from their own home. Mentoring includes doing fun things with the youth like going fishing, hunting, going to ball games, baking cookies, doing crafts, or visiting a museum. For information contact Greg Glomski at 507.301.1902 or *wab.co.mentorship@gmail.com*.

Volunteer at The Bluffs:

The Bluffs assisted living facility has volunteer opportunities flexible hours on days, evenings and weekends in the following areas:

- Musicians, singers, and other entertainers.
- Spiritual support
- Activity assistants to provide programming, assist in escorting residents to events and provide one-on-one companionship.
- Activity outing assistants to assist on shopping, dining, visits to attractions and other resident outings around the area.

Applications for volunteer opportunities are available at The Bluffs, 480 W. Grant St., Lake City. People can call activity director Jennie Niss at 651-448-8333 for more information.

High School Math Volunteer:

Lake City Public Schools is seeking adult volunteers to augment teachers in its high school math classrooms. The idea is to increase the adult-to-student ratio and provide more individual attention to students in need of help. Hours are flexible and volunteers choose their availablity - from an hour a week to several. For information, people can contact Jim or Ann Schreck at 651-345-9834, Dan Kastella at 651-345-5928 or the Lincoln High School principal's office at 651-345-4553. The principal's office is the place to call for people who want to volunteer in subjects other than math as well.

Crisis Line Operator:

HOPE Coalition is looking for volunteer advocates to support victims of sexual assault in Goodhue and Wabasha Counties. Volunteers answer the 24-hour crisis line. Information available at *hope-coalition.org* or by calling 651-388-9360, ext. 1.

Group Home Volunteer:

Great River Homes is seeking one-to-one volunteers or church volunteers. One to one volunteers provide a wide variety of activities and opportunities to individuals with developmental disabilities such as reading together, attending sporting events, attending community events, or sharing a cup of coffee together and just visiting. Church volunteers provide transportation and assistance to individuals to attend church services. Volunteers receive training and ongoing support to make their volunteer experience a successful experience. For more information on volunteer opportunities with Great River Homes, Inc., people can contact Sandra Swan at 651-345-9967.

Driver:

Hiawathaland Auxiliary Regional Transit is looking for volunteers to provide transportation, using their personal vehicle, for residents of the Lake City area who are unable to use public transporation. Drivers will be reimbursed for mileage at the 2015 IRS rate of 57.5 cents per mile for all miles driven. People can call Hiawathaland Transit toll free at 866-623-7505 or email *transit.dispatchers@threeriverscap.org* for information.

Volunteer opportunities run in the *Graphic* and *Shopper* as space allows. To submit a volunteer opportunity for consideration on behalf of a local non-profit or community service organization, email *graphic@rconnect.com*.

PRUNING TREES AND SHRUBS
U of M Extension Service

The late dormant season is best for most pruning. Pruning in late winter, just before spring growth starts, leaves fresh wounds exposed for only a short length of time before new growth begins the wound sealing process. Another advantage of dormant pruning is that it's easier to make pruning decisions without leaves obscuring plant branch structure. Pruning at the proper time can avoid certain disease and physiological problems:

Pruning at the proper time can avoid certain disease and physiological problems:

To avoid oak wilt disease do not prune oaks from April to October. If oaks are wounded or must be pruned during these months, apply wound dressing or latex paint to mask the odor of freshly cut wood so the beetles that spread oak wilt will not be attracted to the trees.

To avoid increased likelihood of stem cankers, prune honeylocusts when they are still dormant in late winter. If they must be pruned in summer, avoid rainy or humid weather conditions.

Prune apple trees, including flowering crabapples, mountain ash, hawthorns and shrub cotoneasters in late winter (February-early April). Spring or summer pruning increases chances for infection and spread of the bacterial disease fireblight. Autumn or early winter pruning is more likely to result in drying and dieback at pruning sites.

Some trees have free-flowing sap that "bleeds" after late winter or early spring pruning. Though this bleeding causes little harm, it may still be a source of concern. To prevent bleeding, you could prune the following trees after their leaves are fully expanded in late spring or early summer. Never remove more than 1/4 of the live foliage. Examples include:

All maples, including box elder, butternut and walnut, birch and its relatives, ironwood and blue beech trees and shrubs that bloom early in the growing season on last year's growth should be pruned immediately after they finish blooming: apricot, azalea, chokeberry, chokecherry, clove currant, flowering plum or cherry, forsythia, Juneberry, lilac, magnolia, early blooming spirea.

Shrubs grown primarily for their foliage rather than showy flowers should be pruned in spring, before growth begins: alpine currant, barberry, buffaloberry, burning bush, dogwood, honeysuckle, ninebark, peashrub, purpleleaf sandcherry, smokebush, sumac.

Shrubs that bloom on new growth may be pruned in spring before growth begins. Plants with marginally hardy stems such as clematis and shrub roses should be pruned back to live wood. Hardier shrubs such as late blooming spireas and smooth (snowball) hydrangeas should be pruned to the first pair of buds above the ground.
