We Thank You!
The Lake City Fire Department would like to thank everyone for the GREAT support at our 121st Annual Dance. The support everyone showed us was overwhelming, including the assistance from the Lake City Police and Reserves, the retired firemen, our spouses and children, and all the others who donated their time.

The 22 volunteers are deeply dedicated to their commitment as volunteer firefighters and to you, the people we serve.

The support you show continues to show us that there are no better people to serve anywhere.

Thank you again,
Lake City Volunteer Fire Department

# PUBLIC NOTICE

To ensure a safe drinking water supply, Lake City Utilities will be adding chlorine to the water system from July 29 to Aug. 3, 2019. The addition of chlorine to disinfect water can react with iron and/or manganese, creating a black or reddish discoloration, but does not cause a health concern. Citizens can let the water run a few minutes to flush faucets of discolored water before using for cooking or laundry. Use of chlorine can cause problems in fish tanks and commercial operations such as bait shops. It is recommended that these uses find an alternate source of water during this period or use commercially available chemicals that neutralize chlorine. Presence of chlorine will remain a few days following the treatment period. Questions can be referred to Scott Jensen at 651-345-6850 or Tim Dick at 651-301-0578.
