AIR DUCT CLEANING
We use all new state-of-the-art duct cleaning equipment!

Important Facts About Indoor Air Quality
- Most people spend 60-90% of their time indoors.
- The levels of some hazardous pollutants in indoor air has been found to be up to 70 times greater than in outdoor air.
- Studies have shown that two out of three indoor air quality problems involve the HVAC/Air Duct System
- One out of six people who suffer from allergies do so because of the direct relationship to fungi and bacteria in air duct systems.

THANK YOU NOTES

FICK

We are so blessed by all our relatives, friends and neighbors who have helped us through this difficult time. "Willie" was a special person to not only our family, but to many in our community. His smiles were endless, just like his stories. We will miss him tremendously and look forward to the day we see him again.

Thank you to St. Croix Hospice and Elysian Assisted Living. The excellent care and kindness shown to our family over the past months will never be forgotten.

Thank you to Pastor Cordes and the Mahn Funeral Home staff. The service was heartwarming, and you were all extremely helpful and took wonderful care of all the details for the service. A special thank you to the American Legion Honor Guard for the military funeral honors. We thank you for your service as well as honoring our loved one.

Finally, to all our family and friends who came to the service, sent cards, flowers and memorials; there are not words to express what you all mean to us. Your love and kindness will never be forgotten.

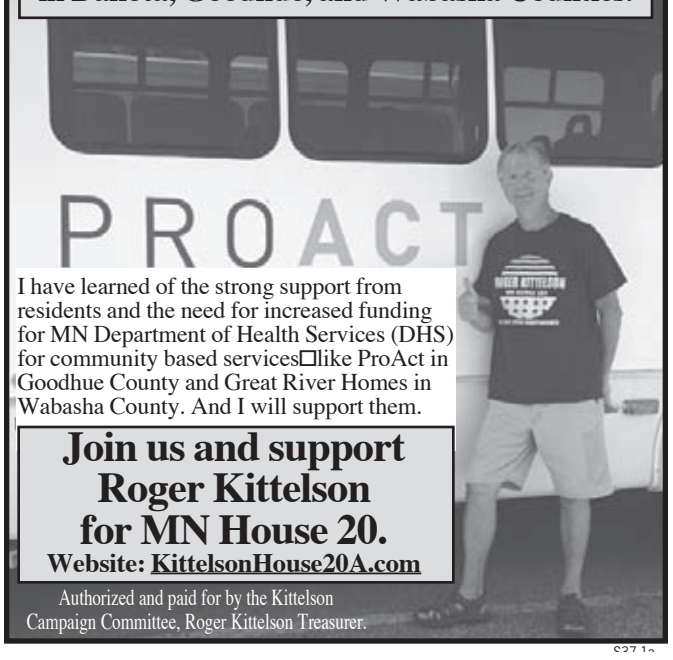
Independent Candidate Roger Kittelson for MN House 20A has been meeting residents in Dakota, Goodhue, and Wabasha Counties.



I have learned of the strong support from residents and the need for increased funding for MN Department of Health Services (DHS) for community based services like ProAct in Goodhue County and Great River Homes in Wabasha County. And I will support them.
Join us and support Roger Kittelson for MN House 20.
