Five for Food Provides 20% of Food Shelf Budget

Can $5 to $10 make a difference in fighting hunger? You bet it can.

In its fourth year, the Five for Food campaign, with matching funds provided by local business and organizations, has turned $5 to $10 donations into more than $15,000 per year. This gives the Lake City Food Shelf volunteers the ability to purchase $45,000-$50,000 of food.

In Minnesota, one in ten people experience food insecurity on a regular basis. The Lake City Food Shelf serves residents within the area of the Lake City school district and provides an emergency safety net. Fewer than 10 percent of its clients come every single month. An average of 130 families (400 individuals) receive about 9,000 pounds of food every month.

Donations during March are particularly important because local food shelves receive some "matching money" in proportion to what is received in contributions from the local community. The more the local donations, the greater the matching funds.

The Five for Food sponsors have provided $10,000 in funds to match individual contributions of $5 to $10. They are Ardent Mills, Fiesta Foods, Lake City Federal Bank, Lake City Graphic, Lake City Masonic Lodge, Lake City Rotary Club, Verizon Store - Lake City, Mayo Clinic Health System Lake City, Papa Tronnios Pizza, Greater Lake City Community Foundation, and three anonymous donors.

Please consider a donation to Five for Food today using the donation form below.

HOOPS

The family of Michael Hoops would like to thank everyone for their support during Michael's long struggle with Melanoma. He endured many surgeries, visits to Mayo, and treatments.

Words cannot express our thanks to everyone for the food, cards, kind words, hugs, etc. It has been overwhelming. Memorial funds were donated to local charities.

Thanks to the staff at Mayo on Gonda 10, Lisa, Jess, Dr. Block and all of the support staff that treated us with honesty and kindness throughout his illness.
