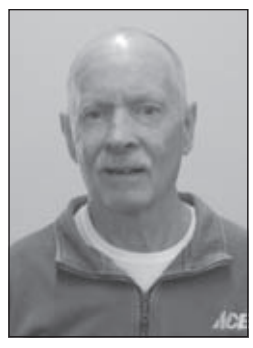
Bringing quality service to you!

I'm John Redmond.



A lifelong, current full-time resident and candidate for mayor of Lake City.

Last week our council approved the purchase of a fifty year old trailer for $20,000. This trailer has a value of less than $2,000. The purchase was made to expedite the spending of a $4,000,000 plus public beautification project at Ohuta Park / marina.

Former and current City Council candidate Andru Peters stated in a Meet the Candidates Forum Zoom call Thursday, October 1st, that based on taxes and insurance Lake City is one of the most expensive cities.

Is this a prudent spending of taxpayer money? I do not think so and would have voted against it. Within the last year we've lost a major employer due to downsizing. Paid an extra 2 million to the only bidder on the Highway project, while the continuing threat of a pandemic still looms over us. You would think that this would have caused our spend happy mayor and council to take pause.

This is the same mayor and council that shut down our business district for six months without doing an economic impact study on the harm their action could do to our community.

This trend will continue unless the voters of Lake City take action on November 3rd and vote the spenders out of office.

If elected mayor, I pledge to stop the wasteful spending and I will work to amend the city charter and reduce the power of the mayor and council.

Feel free to contact me at Ace Rental during the week (651-345-5506) and at WISE Hardware over the weekend (651-345-3113).

Thanks for your support and please vote November the 3rd.

Prepared & paid for by John Redmond, 319 S. Oak St., Lake City, MN 55041
