THANK YOU NOTES

HOWIE COOK

Two weeks ago I had one of the most humbling experiences of my life, having the athletic field track named after me. To the hundreds of people who signed online, or paper petitions, thank you. To the school board, superintendent, and athletic director for moving forward with this honor, thank you.

Thank you to the people that started the whole movement toward the naming. Ex-athletes from over fifty years showed up to celebrate with me. You are the real people behind all this. Your hard work and dedication are the reason this happened. I had almost half my collegiate team here to celebrate it seemed. People traveled hundreds of miles to be with me.

To the area coaches and Lake City coaches and friends that celebrated with me, you're part of the reason that I'm still coaching. They told me that area past athletes wrote notes and signed petitions. I'm a big fan and always want to acknowledge a great performance whether they are wearing orange and black or not. To my present fall team, loved you flying your colors and once again a big WOW to you. To all Cook clan that showed up, our parents, uncles, and aunts would be proud of us.

PROUD TO BE A TIGER COACH!

Howie Cook 37-25p

THANKS!

Your warm welcome and friendship created a wonderful, memorable summer.

Have you cleaned your dryer vent lately?
Professional dryer vent cleaning will significantly reduce the fire hazard caused by lint accumulation and will reduce the drying time of each load, saving you money on your utility bill.

It's time to clean your dryer vent if:
• Drying clothes takes longer and longer
• Clothing is hot or damp at the end of the cycle
• Your outside vent hood flap doesn't open properly
• The outside of your dryer becomes very hot
• You notice a burning smell when drying clothes
• It's been more than a year since your last inspection
