Did you know....

Walking burns as many calories as running? With temperatures on the rise, it is a great time to start working toward your fitness goals by walking. It has been shown that walking causes less stress on the joints of your knees, hips, and back, while still providing benefits such as decreased risk of heart attack, stroke, and diabetes. The Center for Disease Control (CDC) recommends 150 minutes of moderate activity per week, which is equivalent to the time spent watching your favorite movie. This goal can be reached by walking briskly for 30 minutes per day, five times per week. The CDC also recommends breaking up activity into 10 minute increments, if needed, and gradually adding more time as the activity becomes easier.

It is important to remember that a warm-up before activity, and stretching after activity can help reduce the risk of injury. An effective stretching program should involve holding a mild, pain-free stretch for at least 30 seconds, and it should include the major muscle groups involved in your preferred activity. For more advice, consult with your local physical therapist.

Joan Kopacz is the founder of ActivePT, which serves six communities in Southeastern Minnesota. She serves the Lake City ActivePT location on Mondays and Wednesdays, which is available at the Anytime Fitness in Lake City or in a private office setting. Joan is a resident of Lake City, enjoys running, spending time with her family, and fishing.

ActivePT offers free assessments.
Schedule 15 minutes at no cost to evaluate any pain or injury and learn how best to treat your own pain.

THANK YOU NOTES

ROLPH

Thank you to all family and friends who attended and participated in our Celebration of Life for Marian. We sincerely appreciate all the thoughts, prayers, cards, flowers, and sympathies shared.

It was wonderful to see so many people during the visitation and funeral services. Thank you to Schleicher Funeral Home, Mike and staff for their diligent planning and attention to detail, without them the celebration would not have been possible.

To St. Mary's of the Lake Catholic Church and St. Patrick's Catholic Church Community, we cannot express in words how thankful we are for the support you have given Marian and our family for over 50 years. The services to celebrate her eternal life were truly beautiful and will always be remembered. Special thanks to Father John Wilmot and Deacon David Dose for officiating and providing prayer services.

Thank you to Cadie Wolf, Lisa Wallerich, Stephanie Becken and the Great Grandchildren for their beautiful music during the funeral service. Special thank you to Lee Partington and Jim Sexton for playing "Mom's" favorite songs during the evening visitation.

The Funeral Committee at St. Mary of the Lake Catholic Church provided excellent support while serving the delicious meal catered by: Delilah's, Zumbro Falls. Special thanks to Jeremy and Beth Wolf who assisted in the coordination and planning.

Our thanks to the staff and volunteers at the Lake City Care Center. Thank you to the entire medical team to include Hospice, Dr. Kelly and Dr. Pflaum. You all are truly wonderful caregivers who accepted Marian as one of your own family members. It takes a special team to continually care for those in need. Thank you for all your love and kindness shared.

May all go forward in life knowing a special person has touched our lives and shared moments in time that will not be forgotten. Thank you Marian.

Sincerely,
The Rolph Family 7-47p
