At the Goodhue County Fair, Independent Candidate Roger Kittelson for MN House 20A heard a lot about outside money in our local political campaigns.

I know lobbyists do perform a service for our State Legislature by providing specific information to all our legislators during the legislative session. What appears to be out of control is the amount of spending for local races. My belief is no more outside spending and a maximum spending limit of $25,000 for each state candidate. Voters can be informed by reading their local newspapers and viewing each candidate's websites to review their positions on most issues, like election integrity.

Join this Independent to reduce outside lobby spending on local races!

Authorized and paid for by the Kittelson Campaign Committee, Roger Kittelson Treasurer.

We are committed to ensuring the safety of our customers and staff at the Household Hazardous Waste Collections so we are asking that you respect the following rules if you plan to utilize the collections this summer:

1. In order to avoid long lines that occur at the beginning and the end of the collections, try to attend throughout the day.
2. Please NO large loads, you may be asked to drop off part of your waste over several days.
3. Try to utilize the drop-off available in Red Wing or the Olmsted County Hazardous Waste Facility all summer rather than bringing your waste to a collection.

Only Household Hazardous Wastes can be accepted.
State law prohibits business waste collection at a household collection.
Loads CAN be rejected at the discretion of the site manager!

NOTE: Sample wastes that may be brought to the collection include aerosol cans, old paint, household cleaners, paint thinners, paint remover, and pesticides for the garden or the lawn. Only containers with labels or known contents will be accepted. **Fluorescent bulbs will NOT be accepted at the Household Hazardous Waste Collections.
