GRUMPY PLUNGE

Wabasha, MN – Beach Park was filled with energy and excitement during the 18th Annual Grumpy Plunge, as community members gathered on February 28, 2026, to support Great River Homes, Inc. and the Wabasha Rotary Club.

This year's event featured 49 courageous participants who took the plunge into the icy waters of the Mississippi River. Despite the frigid temperatures, plungers enthusiastically embraced the challenge, helping raise funds for two organizations dedicated to strengthening and supporting the community. The shoreline was lined with spectators, cheering on participants and creating a festive, upbeat atmosphere. Each plunge was met with laughter, applause, and plenty of encouragement from the crowd. Event organizer Cari McCann expressed appreciation for the incredible community support. "Seeing so many people coming together for this event is truly inspiring," McCann said. "We are so grateful for everyone who sponsored, plunged, volunteered, or came out to support the plungers. It's amazing what our community can accomplish when we work together."

The Grumpy Plunge has become a favorite winter tradition in Wabasha, bringing neighbors, families, and friends together for a day filled with fun while making a meaningful impact. The success of the event would not have been possible without the many individuals and organizations who helped behind the scenes. The Wabasha City Public Works crew played a key role in preparing Beach Park for the event, including transporting and installing the plunging catwalk. Special thanks go to Josh Wendt with Midco for providing free Wi-Fi, Tim Adams and his crew for cutting the hole in the ice, Wabasha Rubbish Removal for their assistance in keeping our park clean, Jason's Portable Toilets for providing restrooms that accommodated all our needs, and MVP Energy for providing all the heaters and propane to keep us all warm. Mark Murch with the Olmsted County Dive Team, along with the Wabasha Ambulance crew and the Wabasha Police Department, ensured that both participants and spectators were well cared for.

Keeping the crowd entertained, Brian Fries of Plaid Productions and DJ Darius Hall delivered a great blend of music and connection with the plungers as they made their way down the plunger path into the icy water.

As another successful Grumpy Plunge comes to a close, organizers extend their heartfelt thanks to everyone who participated, volunteered, sponsored, and came out to cheer on the plungers. The continued support from the Wabasha community and beyond helps make this event possible year after year and ensures its impact continues to grow. With another memorable plunge in the books, excitement is already building for what next year's event will bring. Be sure to mark your calendars for the 19th Annual Grumpy Plunge on Saturday, February 27, 2027. We can't wait to see you there!

This fundraiser could not have been possible without the support of our inclusive community-minded sponsors and volunteers.
