VOLUNTEER OPPORTUNITIES

Elder Network - Elder Network is a non-profit organization that has been serving seniors for 30 years. Their mission is to help individuals impacted by the limiting effects of aging to have an optimal quality of life. Elder Network supports seniors with visiting volunteers, respite care, companion care (which means any light duty housekeeping, meal prep, errands, grocery shopping, etc.) that can make it possible to keep their independence. Note: We do not do any personal cares or medical services. We offer caregiver support and workshops, as well as other workshops for relevant senior topics. If you enjoy working with seniors and could donate a few hours a week, we'd love to talk to you. Give us a call or email us 651-564-0351 bonnies@elder-network.org.

Group Home Volunteer - Great River Homes is seeking one-to-one volunteers and church volunteers. One-to-one volunteers provide a wide variety of activities and opportunities to individuals with developmental disabilities such as reading together, attending sporting events, attending community events, or sharing a cup of coffee together and just visiting. Church volunteers provide transportation and assistance to individuals to attend church services. Volunteers receive training and ongoing support to make their volunteer experience a successful experience. For more information on volunteer opportunities with Great River Homes, Inc., people can call 651-345-9967.

Volunteer opportunities run in the *Graphic* and *Shopper* as space allows. To submit a volunteer opportunity for consideration on behalf of a local non-profit or community service organization, email news@lakecitygraphic.com.

Utility Director Position

The City of Lake City is seeking a collaborative and experienced **Utility Director** to oversee the administration and operations of our electric, water, and wastewater utilities. This is a key leadership role responsible for ensuring safe, reliable, and cost-effective services for our community.

As Utility Director, you'll work closely with the Public Works Director, utility supervisors, and regional partners to guide infrastructure planning, operations, and long-term sustainability efforts.

What You'll Do

- Provide leadership and coordination across electric, water, and wastewater divisions
- Supervise utility supervisors and support team development, performance, and safety
- Oversee day-to-day operations and ensure regulatory compliance across all utility services
- Assist with annual budgeting, capital improvement planning, and long-term financial strategies
- Manage utility infrastructure projects, including planning, procurement, and implementation
- Support customer service initiatives, policy implementation, and public communications
- Collaborate with engineers, contractors, regulatory agencies, and regional partners
- Serve as acting Public Works Director when designated

What We're Looking For
Minimum Qualifications:

- Leadership experience managing personnel, budgets, and projects (8+ years preferred)
- Experience in municipal or utility operations (electric and/or water/wastewater preferred)
- Strong communication, organizational, and problem-solving skills

Preferred Qualifications:

- Bachelor's degree in engineering, public administration, utilities management, or related field
- Knowledge of utility systems, regulatory requirements, and capital planning
- Experience with SCADA systems, GIS tools, and asset management platforms
