PUBLIC NOTICE

To ensure a safe drinking water supply, Lake City Utilities will be adding chlorine to the water system on **August 1,** it should clear by August 6, 2022. The addition of chlorine to disinfect water can react with iron and/or manganese, creating a black or reddish discoloration, but does not cause a health concern. Citizens can let the water run a few minutes to flush faucets of discolored water before using for cooking or laundry. Use of chlorine can cause problems in fish tanks and commercial operations such as bait shops. It is recommended that these uses find an alternate source of water during this period or use commercially available chemicals that neutralize chlorine. Presence of chlorine will remain a few days following the treatment period. Questions can be referred to Tim Dick at 651-301-0578 or Scott Jensen at 651-345-6850.

PETERS MEMORIAL FUND
PETERSMEMORIALFUND.ORG

We would like to thank everyone who attended the 4th annual Peters Memorial Tournament at the Jewel Golf Club on Friday, July 8, 2022. The monies we raised in honor of Tessica and Sawyer Peters will positively impact our students in the Lake City Public School System as well as many families in the Mayo Clinic Child Life Program.

We are truly humbled by the amount of support we received from this great community. We would not be able to do this without our many generous sponsors, the people who donated raffle prizes, those that volunteered their time and resources, and all of you who were able to join us for golf and happy hour.

Please join us in thanking our many wonderful sponsors:
