PUBLIC NOTICE: Florence Township Planning Commission and Town Board will be conducting a meeting to summarize and present the Frontenac Station Community Assessment Report. PUBLIC MEETING: Presentation of Frontenac Station Community Assessment Report - On September 20th the project team will be presenting the findings of the study to the Township Board of Supervisors. In 2020 MSA procured on behalf of the Township a Small Communities Wastewater Technical Assistance Grant to complete a Community Assessment Report for the on-site treatment systems in Frontenac Station. Only six of the ninety-one systems were found to be compliant. 25 properties are too small to meet setback requirements, 34 properties are in need of a new well as well as a mound system, and 26 properties are able to construct a mound system. A Certificate of SSTS Compliance is required prior to the sale or transfer of any existing property. For further information on the report prior to the presentation at this meeting please visit *https://arcg.is/0DSGem* for a Story Map with a summarization of the report. All persons interested in the above items should attend the meeting. Written comments may be submitted to the Township no later than 7:00 p.m. on Friday, September 17th; or emailed to *florencezoning@gmail.com*.
