AIR DUCT CLEANING
We use all new state-of-the-art duct cleaning equipment!

Important Facts About Indoor Air Quality
- Most people spend 60-90% of their time indoors.
- The levels of some hazardous pollutants in indoor air has been found to be up to 70 times greater than in outdoor air.
- Studies have shown that two out of three indoor air quality problems involve the HVAC/Air Duct System
- One out of six people who suffer from allergies do so because of the direct relationship to fungi and bacteria in air duct systems.

Have you cleaned your dryer vent lately?

Professional dryer vent cleaning will significantly reduce the fire hazard caused by lint accumulation and will reduce the drying time of each load, saving you money on your utility bill.

It's time to clean your dryer vent if:
- Drying clothes takes longer and longer
- Clothing is hot or damp at the end of the cycle
- Your outside vent hood flap doesn't open properly
- The outside of your dryer becomes very hot
- You notice a burning smell when drying clothes
- It's been more than a year since your last inspection

RESOLUTION TO SET CONSTRUCTION CHARGE SCHEDULE FOR THE RYANS BAY SUBORDINATE SERVICE DISTRICT

Resolution Number 2024- 0916

WHEREAS, Zumbro Township Ordinance 11320 (the "Ordinance") provides for Zumbro Township (the "Township") to impose just and reasonable charges to owners of property within the Ryan's Bay subordinate service district (the "District") for the use and availability of the Ryan's Bay community sanitary sewer treatment system (the "System"), including the costs of its construction ; and,

WHEREAS, construction of the System has been completed and will be soon put into operation; and,

WHEREAS, the Zumbro Township Board of Supervisors held a meeting on September 16 2024 to determine the just and reasonable charges to be levied;

BE IT THEREFORE RESOLVED, that the Zumbro Township Board of Supervisors of Wabasha County, determines as follows:

1. That each owner and user of the System shall be assessed $7,950 for their respective share of the cost of construction of the System (the "Debt Service Charge").
2. Owners may elect to pay the Debt Service Charge in full by October 31, 2024. In the event that Owners do not pay the Debt Service Charge in full by that date, this will be deemed to be an election by them for this Charge to be placed as a line-item on their property taxes for 20 years at 3% interest, amortized as follows:

3. The Ordinance presently calls for the Debt Service Charge to be amortized at a 1.5% interest rate. Because the Township's Debt Service actual interest rate is greater than this, the Board resolves to cause the Ordinance to be amended to call for a 3% interest rate prior to the 2025 payment becoming due.
4. As stated in the Ordinance, Owners electing to have the Debt Service Charge added to their taxes may pay the remaining balance due in full at any time.
5. As further stated in the Ordinance, a separate charge for Operation, Maintenance, and Replacement of the System will be set by the Township by separate resolution, which will be renewed annually upon review to determine whether the charge continues to be adequate.

The Town Clerk shall cause this Resolution to be published once in a qualified newspaper of general circulation within the town within 20 days of the passage of this resolution. She shall further promptly mail this Resolution to the owner of each parcel of property in the District, at their address as listed on their property tax statement.

The motion for the adoption of the foregoing Resolution was made by Zumbro Township Board Supervisor Ed Jostock, seconded by Zumbro Township Board Supervisor Steve Rahkenburg and, upon vote being taken, the following voted in favor hereof:

YES: 5 NO: 0

ABSENT: _____ ABSTAINED: _____

WHEREUPON, said Resolution was declared and duly adopted and signed by the Chairman of Zumbro Township, and attested by the Town Clerk of Zumbro Township of Wabasha County, Minnesota.
