Vote for Scott Jensen for Governor

To the Editor,

I am tired of the way legislative law is conducted in our state but I am also optimistic enough to know it can be changed. I am one in the conservative driving forces trying to make the change. I will be voting for Dr. Scott Jensen, to be my next governor, to help with the effort. He believes what I believe such as:

ENERGY: Being proactive on energy by implementing a gas price reduction plan, cut the tax on all energy taxes, thus lessen the contributing factor to the high inflation rate.

INCOME TAX: Eliminate it as 14 other states have done.

ABUSE AND FRAUD: Investigate billions of dollars of waste. Relate this to the Department of Health and Human Services (we never know where that money goes) and the Light Rail Trail in which we all pay 80% of each ticket sold. The State Auditor would work with the legislative auditor.

LINE ITEM VETO: Fair play on any legislative bill or appropriation, sunset government programs and audit them. Veto any new tax increases or proposed agency rules that increase the cost of living.

SOCIAL SECURITY: Exempt Minnesotan's social security tax which has never made sense.

QUESTION COSTLY MANDATES: We have many mandates and agency actions which are burdensome and unfriendly such as rural day cares having to shut down to attend trainings. We can all think of them.

EXPEDITE PERMITS AND LICENSES: These hold up jobs and contracts for construction projects, agribusiness, mining facilities in northeastern Minnesota and of course Line 3.

INVOLVE PARENTS IN EDUCATION: Establish a transparent portal system for parent curriculum review, usage of literature and books in classrooms in each district. This year state funding and local property taxes contribute $6,728 per student, per year to educate a child. Minneapolis spends $17,726 to educate K-12. I don't think home school families receive anywhere near this amount. It makes me wonder where the money goes. Answer the question – are your kids smarter than you at that age? Google Minnesota Education Costs for certain years and find your education cost.

RAISE STUDENT ACHIEVEMENT: There must be new academic standards. Return Minnesota to being a world leader in education. Provide financial incentives to distribute high performing teachers to work in hard-to-staff and high need schools.

MORE QUALITY EDUCATION CHOICES: Convert schools to charters, create self -governed schools and non- public schools, on -line learning and expand ESPEO into the trades and agribusinesses.

BAN DIVISIVE CURRICULUMS: Ban "critical race theory" and return input and approval of standards to parents, teachers and school boards but not the governor or legislature.

ENFORCE TRUANCY LAWS: This has been historically proved to lessen impact on crime and teen pregnancy and create smarter kids.

PROMOTE REAL WORLD SUBJECTS: We need Civics and responsible finance classes and character development as credit classes.

CREATE A HIGHER EDUCATION GRANT PROGRAM: A forgivable loan program would keep college grads in Minnesota for 5 years and match work force needs in order to eliminate a population exodus and brain drain as we currently have.

CUT THE FUNDING FOR THE BUREAUCRATIC DEPARTMENT OF EDUCATION: Since the department doesn't educate children, relocate the exorbitant amount of money to classroom instruction. There is no sense in paying anyone over $100,000 in that department.

VETO ANY SILLY EDUCATION BILLS: We all know the "don't say gay" bill and anything that teaches sexually explicit material to elementary students interferes with our common sense. Jensen would veto such silliness.

OFFER SCHOOL VOUCHERS: This would lessen racial disparities and point out failing systems.

MAKE CARJACKING A CRIME: Jensen would make this a 2-6 year minimum sentence. It isn't now.

NOT PERMITTING NON-PROFIT BAIL OUTS: Our vice president could no longer bail out violent criminals through her donations to non-profit groups such as she does. These non-profits have a huge amount of funds to pay the bail on criminals.

DEPLOY THE STATE PATROL TO HELP LOCAL LAW ENFORCEMENT: Jensen believes in using this in high crime areas. Utilize the National Guard immediately when needed to show there is no tolerance for violence.

STIFFEN PENALTIES FOR REPEATS: Keep the criminals where they seem to want to be by increasing sentencing guidelines.

JUDGES: Jensen will screen judges and appoint judges who will stop "catch and release" in order to stop repeat offenders.

JOB TRAINING FOR CONVICTS: Teach literacy skills and job skills so convicts will have the ability to have a productive job.

REINSTATE SENTENCE-TO-SERVE: Our current governor gutted this community program but Jensen believes the criminals can clean up their damage and vandalism and establish accountability to sentencing.

Dr. Scott Jensen and Matt Birk are the team that can lead Minnesota into reality. They think like I do. I will support them.

All these issues can be seen at *drscottjensen.com*.

If you would like to support them: Dr. Scott Jensen for Governor, PO Box 1348, Minnetonka, MN 55345
