Our Health Care Is in Crisis Mode

Loss of Medicaid Could Affect You if...
- You are in a nursing home or have a loved one there
- OR You rely on Medicaid for reproductive care.

Medicaid survival depends on which state or local officials we elect this fall.

Rural People are Frustrated with Health Insurance
"For farmers, affordable health care access and insurance must be a required safety net." "...the current premiums and deductible costs are not sustainable...."
Quoted from the Minnesota Farmers Union Report May 1, 2018

Medicare on Chopping Block
"It's quite possible that Medicare will be back on the chopping block," says T. Neuman, Medicare expert at the non—partisan Kaiser Family Foundation

Republicans in Congress and elsewhere are working hard to get rid of the Affordable Care Act (aka Obamacare), eliminate reproductive health care and dramatically reduce Social Security, Medicare and Medicaid.

For the wonderful care Dad received over the years by Dr. Thomas Ziebarth and Dr. Vicki Thomas.

Thank you to Pastor Cordes and Pastor Peters for their prayers and comforting words and for the beautiful music by Bob Wolff. And thanks to the Ladies Aid for serving lunch.
