THANK YOU NOTES

KACKMANN

We would like to express our sincere thanks to everyone who has supported us during Marlene's hospitalization, stay at Lake City Care Center, and upon her passing. The phone calls and visits to her during this time were much appreciated.

Special thanks to the staff at St. Marys Hospital, the Lake City Care Center and the Lake City Hospital for the wonderful care she received. Thank you to Augie and the staff at Schleicher Funeral Home, Pastor Schroeder and Bob Wolff, as well as the St. John's Ladies Aid and Huettl's.

Thank you for all the cards, flowers and memorials in her honor. Your visits and kind words have helped us through this difficult time.

CITY OF LAKE CITY
SERVICE WORKER – ELECTRIC

The City of Lake City Public Works Department is accepting applications for a full-time electric service worker. The position performs intermediate technical work assisting Journeyman Line Workers in the construction, maintenance, and repair of electrical facilities, controlling and maintaining inventory, locating underground utilities, maintaining residential, commercial, and industrial meters and operating computer software to program meters. Flexible response time for on-call personnel. Preferred qualifications include high school diploma or GED with coursework and moderate experience in electrical distribution or related field. Minimum wage of $36.52/hour DOE.

Job description available at *www.ci.lake-city.mn.us*.

Applications must be submitted through the city website by 4:30 p.m. on Friday, November 6, 2026.

CITY OF LAKE CITY
Journey Line Worker

The City of Lake City is seeking a skilled and safety-focused Journey Line Worker to join our Public Works Electric Department. This position performs essential work to construct, maintain, repair, and improve the City's overhead and underground electrical distribution systems.

As a Journey Line Worker, you'll work closely with the Line Foreman, Electric Supervisor, and other electric utility staff to help provide safe and reliable electric service to the Lake City community. This position also participates in emergency response and a rotating on-call schedule.

What You'll Do

- Construct, maintain, and repair overhead electrical distribution systems
- Install and maintain underground electrical distribution systems
- Set and remove utility poles, string conductors, and install electrical equipment
- Build, replace, and connect transformer banks and customer service connections
- Diagnose and repair electrical outages, service interruptions, and system problems
- Operate bucket trucks, digger derricks, backhoes, payloaders, hotline tools, and testing equipment
- Perform cable splicing, line rebuilding, system conversions, and related utility work
- Respond to emergency service calls and severe weather events
- Assist with the instruction and development of apprentice line workers
- Follow established electrical safety practices, work procedures, and equipment requirements

What We're Looking For

Minimum Qualifications:

- Associate or technical degree with coursework in a line worker curriculum or related field
- Considerable experience in electrical distribution work, or an equivalent combination of education and experience
- Knowledge of overhead and underground electrical distribution construction, maintenance, and repair
- Ability to safely operate specialized utility vehicles, equipment, tools, and testing devices
- Ability to participate in a rotating on-call schedule and respond to emergency outages
- Valid Class A Commercial Driver's License, or the ability to obtain one within six months of employment

Required Training

- CPR and First Aid
- Job-related rescue training
- Electrical safety training

Apply Today at:
