Swan Jewelers Diamonds & Gold
109 E. Center St., Lake City, MN
Celebrating 30 Years in Business from 1988 to 2018

Circa early 1900's

Steve Swan, owner of Swan Ltd. Jewelers, called upon Rosie Conway of Conway Jewelers as a salesman. In October of 1988 Rosie was preparing to close her store due to retirement. Steve knew a good opportunity when he saw one and he made arrangements to purchase the business. Two months later he held a grand opening under the name of Swan Ltd. Jewelers.

The building he purchased has always been the home of a jewelry store. It was originally built in 1877 after a major fire consumed the entire city block where Crane Bros. jewelers once stood. In 2002, through a small business grant, Steve was able to restore the front of the building to its original facade. Steve had found an old photo showing a previous owner in front of the building. After tearing down a false tile facade, Steve was pleased to find that the original lettering on the brick was still there. He hired a sign maker to restore the letters.

Swan Ltd. Jewelers has diversified their product line over the last 20 years to include custom laser engraving. We carry a full line of acrylic awards, glassware and traditional wood and brass plaques. We fill in the slow times by doing custom laser engraving that includes plaques, clocks, trophies and glassware. Shar Yorde was hired after working for years in a trophy shop and does all the buying, ordering, and set-up and engraving of wood, glass, acrylics and brass.

Being in a small town often leads to community involvement. Steve is retired from the Lake City Fire Department, and has served as a board member on the Lake City Marina Board, the Lake City Tourism board, the Lake City Chamber of Commerce and the Lake City Lions Club. He has also held office as President of the Lake City Chamber of Commerce, the Lake City Lions Club, and the Lake City Fire Department Relief Association. He is currently serving on the Public Safety Board.

ADVANCED HEARING AID TECHNOLOGY For Less Than \$200

"I was amazed! Sounds I hadn't heard in years came back to me!"
— Don W., Sherman, TX

How can a hearing aid that costs less than \$200 be every bit as good as one that sells for \$2,250 or more?

The answer: Although tremendous strides have been made in Advanced Hearing Aid Technology, those cost reductions have not been passed on to you. Until now...

MDHearingAid® uses the same kind of Advanced Hearing Aid Technology incorporated into hearing aids that cost thousands more at a small fraction of the price.

Over 300,000 satisfied MDHearingAid customers agree: High-quality, FDA-registered hearing aids don't have to cost a fortune. The fact is, you don't need to spend thousands for a hearing aid. MDHearingAid is a medical-grade hearing aid offering sophistication and high performance, and works right out of the box with no time-consuming "adjustment" appointments. You can contact a licensed hearing specialist conveniently online or by phone — even after your purchase at no cost. No other company provides such extensive support. Now that you know... why pay more?

Can a Hearing Aid Delay or Prevent Alzheimer's and Dementia?
A study by the National Institute on Aging suggests older individuals with hearing loss are significantly more likely to develop Alzheimer's and dementia over time than those who retain their hearing. They suggest that an intervention — such as a hearing aid — could delay or prevent this by improving hearing!

TAKE ADVANTAGE OF OUR 45-DAY RISK-FREE TRIAL!
Hearing is believing and we invite you to try this nearly invisible hearing aid with no annoying whistling or background noise for yourself. If you are not completely satisfied with your MDHearingAid, return it within 45 days for a **FULL REFUND.**

Men and women are matched with a youth between the ages of eight and 18 in their own community. Volunteers are asked to spend an hour or two each week for one year, away from their own home. Mentoring includes doing fun things with the youth like going fishing, hunting, going to ball games, baking cookies, doing crafts, or visiting a museum. For information contact Greg Glomski at 507-301-1902 or wab.co.mentorship@gmail.com.

For information, people can contact Jim or Ann Schreck at 651-345-9834, Dan Kastella at 651-345-5928 or the Lincoln High School principal's office at 651-345-4553. WELCOV HEALTHCARE

MEET OUR DIRECTOR OF NURSING AT RED WING HEALTHCARE COMMUNITY

TONY RAUSCH
 Registered Nurse, Director of Nursing

I am the Director of Nursing for Red Wing Healthcare Community. I would like to take a moment to introduce myself to the community of Red Wing. I have 20 years of nursing experience, starting as a Registered Nursing Assistant in 1998 in long-term care. Over the years since then, I have focused on becoming well rounded and knowledgeable in many areas of nursing while obtaining my Bachelor's Degree in both Psychology and in Nursing as an Registered Nurse. I have experience working in Mental Health, Intensive Care Unit, Cardiac, Orthopedics, Medical-Surgical, Oncology, Neurology, and most recently as the former Director of Nursing for a Chemical Dependency Treatment facility.

I am dedicated to the people I provide care for and have the same expectation for my nursing teams. I have a strong leadership philosophy and am thankful for this opportunity to share it at Red Wing. In the community you may see me coaching my children's sports teams, fishing at the local hot spot, or enjoying time on the water. I am from a small town in Northwestern Minnesota and am an avid fisher and hunter and enjoy being out in nature whenever possible. I have lived in river towns for the last 20 years and have a strong understanding of their sense of community, and that's what keeps me here.
