**WABASHA COUNTY CITIZENS**

Citizens from throughout the County can volunteer to serve on committees, commissions, and boards as an important part of delivering local services. The role of the citizen varies by appointment and can include final decisions or recommendations to be considered by others. Citizen involvement is an essential element of governance in Wabasha County.

Individual Board members may choose to nominate citizens, however, all appointments are made by the Board of Commissioners as a group. Generally, the qualifications for appointment are legal voting age and a commitment to serve. In some cases the law or agreement establishing the group defines additional requirements.

Citizen volunteers are normally paid a per diem and reimbursed for mileage expense at the IRS rate. Volunteers are not considered employees for the purpose of workers compensation or unemployment compensation. Volunteers are required to provide their own automobile coverage. County liability coverage for volunteers is limited to acts within the scope of assigned volunteer duties on behalf of Wabasha County.

Currently the County is seeking to establish a roster of individuals interested in a potential appointment to the County's Planning Commission, Board of Adjustment, Extension, and Health and Human Services Advisory Committee.

For more information please visit <http://www.co.wabasha.mn.us/index.php/employment/committee-appointments> or contact County Administrator Michael Plante by calling (651) 565-3073 or via email at [mplante@co.wabasha.mn.us](mailto:mplante@co.wabasha.mn.us)

**PUBLIC NOTICE**

Due to extreme cold weather this winter the frost table is lower than previous years, resulting in frozen water service lines in areas. Lake City Public Works is asking all residents to monitor the temperatures of their water. If it drops below 40 degrees Fahrenheit, run a pencil diameter flow continuously. The temperature should be checked on occasion to monitor when it is above 40 degrees and the continuous flow can be stopped.

Financial consideration will be given related to increased water and sewer usages for those households running water continuously, with using either an average monthly bill or the same billing period last year for the current billing.

Residents running water continuously are requested to contact the City at 345-5383 or Rhonda at 345-6810 [rharkins@ci.lake-city.mn.us](mailto:rharkins@ci.lake-city.mn.us) or Chris at 345-6801 [cstelzer@ci.lake-city.mn.us](mailto:cstelzer@ci.lake-city.mn.us) with the following information:
