My name is **PHIL GARTNER** and I would like to be re-elected to a position on the Lake City Council.

I would like to be able to use my experience,

- As the **City's Attorney** for over 35 years
- As a City **Council Member** for four years
- As the City Council Representative on the **Streets & Parks Board**
- As the City Council Representative on the **Marina Board**
- As a Board Member on the City **Economic Development Authority**
- As the City Council Representative on the **Lake City-Mayo Board**
- As a current member of the Lake City **Utility Board**

to work again for the City as a City Council member with my 40 plus years of experience.

To help me do that, I would greatly appreciate your vote in the City Primary Election on August 9, 2016.

Prepared and paid for by Phil Gartner on his own behalf.

PUBLIC NOTICE

To ensure a safe drinking water supply, Lake City Utilities will be adding chlorine to the water system from August 8th through August 15th. The addition of chlorine to disinfect water can react with iron and/or manganese, creating a black or reddish discoloration, but does not cause a health concern. Citizens can let the water run a few minutes to flush faucets of discolored water before using for cooking or laundry. Use of chlorine can cause problems in fish tanks and commercial operations such as bait shops. It is recommended that these uses find an alternate source of water during this period or use commercially available chemicals that neutralize chlorine. Presence of chlorine will remain a few days following the treatment period. Questions can be referred to Scott Jensen at 651-345-6850 or Mike Tucker at 651-380-0300.

MEYERS

Wow! God has blessed me with many relatives and friends! I was overwhelmed and honored by so many who came to my 80th birthday party.

Those who made it happen cannot be thanked enough for the work they put into this event. Special thanks to my husband Darwin and our kids and their families. They rock!!

There is no way I can begin to name names but I am thankful for those who helped, came with gifts, cards and bars or goodies.

God bless you all!

Nancy (Borner) Meyers

JUERS

We would like to express our gratitude and appreciation for all the help we received after our recent tornado and storm damage to our farm on July 5.

We will never be able to repay you for all your acts of kindness. Many people stopped both young and old, to help pick up debris and salvage items, sorting and cleaning, to finally improve the appearance of the place.

Others brought large equipment, generators, skid loaders, and dozers and worked for days on buildings and tree removal.

Thanks to neighbors for helping rescue cattle from the collapsed barn and giving them a temporary home.

It was a shocking experience to go through, but with all the help we are attempting to reorganize.

Several people and businesses brought food, sandwiches, water, pop and cookies, even complete meals to keep everyone fed during the clean up.
